

Interested in becoming a mentee?

Join SPMP!

Benefits of being a Mentee:

- Great opportunity to learn from Transfer students about the transfer process.
- Gain knowledge about life at Berkeley
- Receive guidance on the UC application process

Spring Mentee Requirements

1. Must be enrolled in a California Community College during spring semester
2. Must fill out a mentee application and complete Mentor agreement form

About the Program

The [Starting Point Mentorship Program \(SPMP\)](#) goal is to give California Community College students access to 4-year university students' experience. An opportunity to connect with UC Berkeley student mentors who can provide appropriate information, access to resources, and share their transfer and UC Berkeley experience is given to the mentees.
