## 2008 – 2009 Goals

Berkeley City College's goals for 2008-2009

### *Advancing student access, equity, and success*

1. Implement strategies identified in basic skills inventory in order to improve the transition of basic skills students to college-level courses.
2. Create retention task force as a subcommittee of Berkeley City College's Roundtable.
3. Improve linkages between instruction and student services as a means to improve student success.
4. Incorporate assessment plans for the improvement of learning outcomes for courses, programs, general education courses, and services.
5. Develop action plan for implementation of Student Equity Report.
6. Meet enrollment target established by the District.
7. Maintain or improve productivity of 19 minimum class size for all course offerings.
8. Expand transfer agreements and number of transfers to universities.
9. Connect with high schools and middle schools as part of the Student Ambassador Program.

### *Engaging our communities and partners*

1. Continue partnership with City of Berkeley's Youth Works and Rubicon.
2. Represent the College at Chamber events at Berkeley, Emeryville, and Albany.
3. Expand role of industry advisory committees.
4. Host events to the community in an effort to showcase BCC's programs and services.
5. Expand partnership with UC's Center for Organizational and Workforce Development.
6. Update Strategic Marketing Plan with an emphasis on community relations and outreach objectives.

### *Building programs of distinction*
