District Facilities Updates (BCC)

- ❖ Generator maintenance
 - Trying to settle contract for boiler maintenance
- ❖ Elevator
 - Annual maintenance has been completed
- ❖ Monitoring and attending to the everyday needs of maintenance services from minor to major

Atheria

- ❖ Received letters concerning BCC's Campus
 - Noticed that services needed to be done on the facilities level

- Launching a 90-day project initiative
 - ✚ Try to complete as many requests in 90 days
- ❖ Will continue to address immediate needs that can be repaired quickly and effectively
- ❖ Needs an invite to all facility meetings
 - BCC to put a list together of all issues pertaining to DGS

Atheria

2118 Milvia Update

- ❖ DSA – Division of the State Architect
 - They approve all construction for K – 12 and community colleges
- ❖ DSA will have an update in April
- ❖ The delay for this project has been DSA's approval
- ❖ Once approved will try to negotiate things with Excel Construction

John

Facilities Room Request and Basic Needs

- ❖ Thanks to Michael and Izzy for their work with the food pantry and Basic Needs program
- ❖ Needs to identify a room for Basic Needs Center for students
- ❖ Working with vendors to buy shirts and clothing for students to keep warm

No Announcement's
