How Selected:

By position – by virtue of position held
By appointment/designation - from area staff/faculty

Purpose: The purpose of this committee is three-fold:

1. Coordinate and collaborate on college-wide program review, development, evaluation, and strategic planning
2. Request and review recommendations based on data analyses for the purpose of making informed decisions regarding educational programs and student support services

3. Coordinate and implement college-wide initiatives to support Education Master Plan goals.

Coordination and Collaboration:

Collect analyses of institutional effectiveness data and relevant recommendations from college and district shared governance groups. Make informed, data-driven recommendations to BCC Roundtable regarding college-wide initiatives to support Education Master Plan goal.

Data-Driven Decision Making:

- ▶ Coordinate and assist with accreditation efforts regarding integrated planning and institutional effectiveness.
- ▶ Assist the college in developing and updating educational master planning process and implementation, including economic/workforce development related to educational services at the college and program levels
- ▶ Facilitate college-wide initiatives that support the Education Master Plan goals.
- ▶ Assess, interpret, and ensure compliance with federal and state statutes and regulations, PCCD Board policy and administrative procedures, as they affect educational and student support services at college, program, and course levels
- ▶ Utilize learning outcomes and achievement data findings to identify, discuss, and recommend to the College Roundtable necessary changes in education programs and support services.
- ▶ Inform College enrollment management efforts from the integrated planning perspective

Recommends to: College Roundtable for Planning and Budgeting
