

August 2020

Laney Facilities & Technology Updates

Working Together to Support Our Students & The Campus Community

Zoom Updates

A security update from Zoom at the end of September will require all Zoom meetings setup in the future to have a passcode. More information is available [here](#).

New IT Resource Page

IT website developed with summary of resources needed for online learning/teaching/business functions. Click [here](#) to check it out!

Locker Room Update

The Title IX Locker Room modernization has gone through the initial process to select a design build entity. In the meantime, the project manager is working on getting portable showers and bathrooms will be placed on the tennis courts to use during the locker room construction. This project is scheduled to be complete by December 2022.

Tech Tuesdays Are BACK!

Dates for Fall Tech Tuesdays announced. Topics include: Excel training, Office 365, Zoom etc.

Adobe Creative Cloud

The Laney IT Dept. acquired licenses for students for Fall, for home usage. If your students need licenses, please email IT.

Work Orders

Work requests can be submitted by emailing the Laney Business Office at lbusinessoffice@peralta.edu or texting 510-599-9411.

Theater Modernization

The Theater Modernization project continues to move forward. Architects are meeting with end users to review the updated plans. This project will be completed over the next two and half years.

Chromebook Lending Program

Our Chromebook Lending Program continues on Wednesdays through September. Visit [this webpage](#) to view the schedule. Students may pick up a Chromebook on Wednesdays between 10 am -12 noon from Tower Lobby.

FPC Meetings

Facilities Planning Committee meets the 1st and 3rd Monday of the month during the fall and spring semesters and meetings are open to everyone. [Click here](#) to learn more.

Laney IT Continues to Support!

Laney IT continues to provide remote and limited scheduled on-site support. If you have any tech needs, please email laneyhelpdesk@peralta.edu

Technology Planning Committee Meetings

The Technology Planning Committee will resume its monthly meetings. Committee meets every second Thursday from 3 pm- 4:30 pm via Zoom. [Click here](#) to learn more.

Cleaning the Campus

Engineers, custodians and the grounds crew have been busy making repairs and cleaning the campus so we'll be ready when we return to face to face instruction. In addition, the Swinerton project management team has been busy coordinating electrical, plumbing and HVAC projects around campus to resolve some long awaited repairs. If you'd like an update on a particular repair, please email amarshall@peralta.edu.

Infrastructure Updates

The central utility plant is getting updated. This major infrastructure project will include the relocation of the cooling towers and repair /replacement of the chillers and boilers. This project will greatly improve the heating and cooling on campus.

New Student-Run Bank!

We're getting a student run US Bank branch in the student center! The construction plans are well underway and the approval process with the Division of the State Architect (DSA) will begin soon. We hope the branch will be up and running by Fall 2021 or Spring 2022. For more information about the program, contact Kim Glosson at kglosson@peralta.edu.

Library LRC

The Library LRC project is moving forward. Architects will be meeting with all the end users to review the current layout, potential furniture, and casework needs. The new building should be ready to open by June 2023.
