

FEBRUARY 2021

LANEY FACILITIES AND TECHNOLOGY UPDATE

WORKING TOGETHER TO SUPPORT OUR STUDENTS & THE CAMPUS COMMUNITY

Important Action Needed for your Zoom

account: Since our Zoom accounts are provided by the State, they have sent this message: Effective 06/30/2021 all TechConnect Zoom recordings with a creation date prior to August 15, 2020 will be deleted from user accounts. Once these files are deleted, they will be held in Zoom trash and available for retrieval by you for 30 days after the date of deletion. However, after 30 days in Zoom trash, any recordings held there will be permanently removed and no longer be accessible. Start now to proactively manage your Zoom recordings.

Laney IT is working with facilities on the **various construction projects.** Inventory and storage of the computer networking equipment housed in the Eagle Village is in progress.

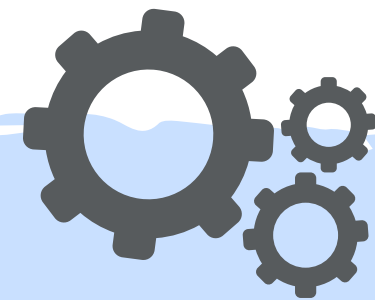

The next **Tech Tuesday** session will be on March 9, 2021 and will focus on Excel Tips and Tricks. Zoom link:

<https://cccconfer.zoom.us/j/91047817603>

The Technology Planning Committee prioritized various **technology requests** received via program review and submitted them to the Budget Advisory Committee.

The **PeopleSoft system** was upgraded on 2/16 by District IT. On Feb 23, Laney IT held a Tech Tuesday session to assist and educate users on the new platform. More than 25 Faculty and Classified professionals attended this session. If you have any issues with the new system, please email pssupport@peralta.edu.

Laney IT Continues to provide remote tech support and limited on-site support. Please contact us at laneyhelpdeskeperalta.edu

Campus COVID-19 Health Screenings

COVID-19 health screenings are provided Monday - Friday from 7:30am - 4:30pm.

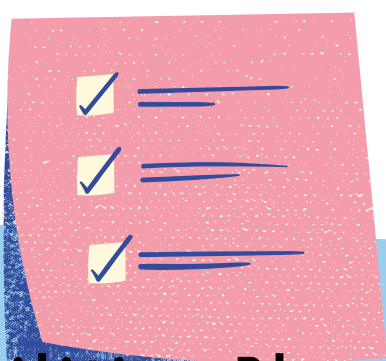

The screener will ask the standard CDC health screening questions and take temperatures. A small paper slip will be provided to those that pass the screening.

In the event one does not pass the screening, they will be provided a referral to Roots Clinic at 7272 McArthur Blvd, in Oakland (510) 533-1248 for a follow-up.

Laney Gardens

-We are in the process of dismantling the upper gardens to make way for the EBMUD work for the Laney Library LRC project. The lower gardens will not be disrupted during the process of construction.

Facilities Planning

Committee meets the 1st Monday of the month during the fall and spring semesters and meetings are open to everyone.

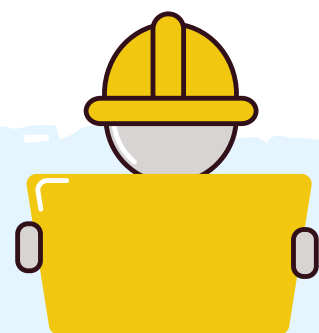

<https://laney.edu/facilitiesplanningcommittee/>

Eagle Village:

The contents of Eagle Village will be moved to storage on March 10th. Personal effects should be removed prior to that time. The remaining contents should be packed and labeled for transfer to the new village. Boxes and storage totes are in the spaces and additional supplies are available if needed. The new village space should be ready in early June.

Please contact Amy Marshall (amarshall@peralta.edu), or the business office (lbusinessoffice@peralta.edu), if have questions or need assistance.

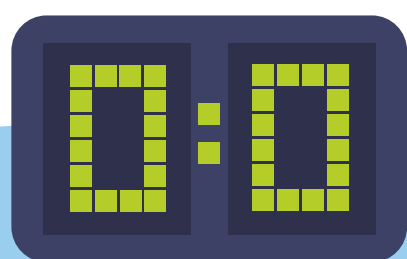

District Construction Standards

The district has published a set of construction standards for the colleges. Many thanks to the faculty and staff that participated in the creation and review of the comprehensive standards established for the district.

Perimeter Paving.

- The fire lanes and parking areas on the main campus are being repaired and repaved. There will be an increased number of handicap parking spaces available for those with the appropriate permits. There will be very few reserved parking spaces remaining on campus. Faculty and staff should plan to use the faculty / staff parking lot.

Score board

the new state-of-the-art scoreboard, donated by the Roots soccer team, is up! Final touches and training remain.

Work orders

- work requests can be submitted by emailing the Laney Business Office at lbusinessoffice@peralta.edu or texting 510-599-9411.
