## APARTMENT FEATURES WORKSHEET

Consider the features of each apartment you will potentially rent. Place the name of the apartment in the 3rd, 4th, and 5th columns. If the apartment has a feature that's listed, place a checkmark next to the feature under that apartment's name. This will help you determine the best apartment for you.

Category	Features	Apartment Names		
<b>Location</b>	The apartment is located in a convenient part of town.			
	The commute to work/school will be manageable from here.			
<b>Price</b>	The apartment is affordable to me. The monthly rent is: (place monthly rent of each apartment in the columns to the right)
