

What are Merritt's critical 90-day priorities in terms of facilities?

24. Incomplete projects. Athletic Trainers Office and Production office unfinished. Exposed ceiling and walls from 2021 major flood at campus. Molded ceilings in P307 & P306. Roof Leaks campus wide. 1. D Bldg. ceiling leaks 2. A Bldg. Smart badge loc

leaking ceiling F building

"Sidewalk" up to the Environmental Center - it is actually a hardened (concretized) drainage gutter and not an actual walkway. Tree roots and no curb cut pose additional trip/fall hazards.

F105 ceiling

Counseling Suite/Area mildew- leak

Partitions in Student services, flooding toilets and sinks in student services, elevators, athletic trainers ceiling and flooring.

Elevator and cubicles in financial aid department

F105 ceiling and lack of fire alarm in F105

P306 Leak and Mold

What are Merritt's critical 90-day priorities in terms of facilities?

The environmental center walkway needs to be made safe
