## Free Books!

Come to the Library today and pick up some free books! We have books on lots of different topics from religion to geology to botany! Check back frequently as we are always adding new free books to give away.

## Faculty Book Requests

We are looking for book suggestions from faculty to augment our print collection. If you have any titles that you feel the Library should own to support your curriculum, please contact Librarian Eva Ng-Chin:

engchin@peralta.edu  
(510) 436-2462

## Library Survey

Students, please take a moment to come to the Library or go to the library website and take our survey. Your responses will help us serve you better! If you have already filled one out, thank you!

## Library Lectures

Want to give your students a leg up in completing their assignments? Library instruction sessions will show your students how to search online databases and make the most of Library resources. Contact Timothy Hackett to arrange a Library instruction session with a Librarian:

## Remote Access Forms

Faculty, in order to use databases and e-books remotely, you must have a Library patron account. To set one up, please fill out one of our Remote Access Registration forms. Forms are located on our website ([www.merritt.edu/library](http://www.merritt.edu/library)) and in paper format at the Reference Desk.
