BACKGROUND/ANALYSIS:

The role of Council on Instruction, Planning and Development (CIPD) is to review college curriculum additions, deletions, or modifications and submit them to the Board of Trustees for approval. CIPD meetings are held monthly throughout the academic year and are composed of college curriculum chairs (appointed by the Academic Senate), curriculum specialists, matriculation officers, the District Academic Senate President, the Vice Chancellor of Academic Affairs & Student Success, Deans and Vice Presidents of Instruction.

Course and program additions are based on industry demand and/or students need in the following fields: English for Speakers of Other Languages (ESOL) course # 278, Spelling 1; Digital Fabrication (DIGFAB) course # 103 (Fusion 360 for Digital Fabrication) and course # 110, 111 (Small Living Spaces series), 120 (Sign Making), and noncredit course # 501 (Digital Fabrication Open Lab).

Course modifications are required to comply with State Chancellor's Office initiatives such as the code alignment project for better reporting. They are also required for updates to course curriculum to ensure alignment with district-wide requisites and unit values in order to streamline student enrollment and to comply with Education

Code Sections 70901(b), 70902(b), and 78016; and California Code of Administrative Regulations Sections 51000, 51022, 55100, 55130 and 55150.

Course deletions result in deactivating courses that are no longer offered from the college catalog, state inventory, CurriQunet, ASSIST, and Passport according to the approved effective term listed in the attached agenda.

ANTICIPATED COMPLETION DATE:

All curriculum additions, deletions and modifications reflect work that occurs on an ongoing basis.

EVALUATION AND RECOMMENDED ACTION:

The Interim Chancellor and Interim Deputy Chancellor recommend approval.
