RE: Peralta Community College District Bond Measure Oversight Committee (CBOC) 2023-2024 Annual Report

The CBOC Annual Report subcommittee consisting of Cole Sexton, Andrea Dawson, and Jeff Cambra met in March and agreed that the previous year's (2022-2023) format and general content should be followed for the 2023-2024 Annual Report.

Cole Sexton provided the slide deck from 2022-2023 year, and Andrea Dawson prepared a draft annual report for the subcommittee to review. Project images were taken from the presentation made at the March CBOC meeting.

After several rounds of comments, the subcommittee agreed that the attached draft annual report was ready for presentation to the full CBOC for review and action for acceptance. The subcommittee recommends approval of this report.
