## 15 Formal Listening Sessions

### **The Rocks We Carry**

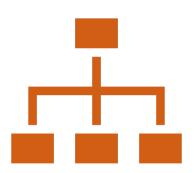

Expediency of contract approval process

Delayed Vendor payments

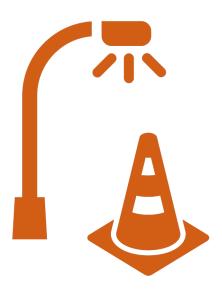

Lack of communication and transparency (general decisions, budget, changes)

Lack of accountability and trust, including following established processes/procedures

Lack of responsiveness from District Service Center (DSC) departments and information on who to contact.

Unsafe working conditions (elevators, buildings, safety/security)

Distribution of FTEF, schedule development, online vs. in-person classes Support for return to work (inperson services & instruction), accountability for FT faculty who do not live in the area on professional responsibilities.

Interest in more coordinated classified professional development

Lack of onboarding and training for managers and classified professionals on systems and processes. Classified frustrated with having the train managers for their jobs.

## LISTENING SESSION – April 25, 2024 We were listening:

### Contract Process needs to:

- Move quickly
- Have clear instructions, guidelines and timeframes
- Be more user friendly
- Feel more efficient/be more streamlined
- Have Standard operating procedures (SOPs)

### **OUR COLLOBORATIVE TEAM**

### Working together to Improve Efficiency and Understanding

Many voices and perspectives at the table:

- Purchasing
- Finance
- IT
- Board Clerk
- Legal/Contracts Coordinator
- Outside legal counsel
- End-Users: DGS, Campus, District Including outreach to and input from Risk Management

## **Contract Workshop August 9**

### **PHASE 1: INTENDED RESULTS**

- ✓ Clearer directions and understanding of the contract process and its parts, with a focus on service agreements
- ✓ Easier contract preparation and quicker contract review and approval
- ✓ Greater transparency throughout review/approval process and timelier responses to questions that arise while item is in queue
- ✓ Reduction of redundancy in approvals, empowering the campus business offices
- ✓ Increase in timely vendor payments

Dear Peralta District Community,

I'm excited to provide an update on the leadership changes announced at the end of February.

On July 1, we welcomed Greg Nelson as our new Chief Operating Officer and Abdul Pridgen as our new Interim Executive Director of Public Safety. Both have hit the ground running, bringing with them a wealth of experience and a fresh perspective. I appreciate the college presidents and their leadership teams facilitating our campus visits last week. Thank you to everyone who greeted us, helped with

### Chancellor's Announcement: Welcome COA **President Melanie Dixon**

Dear Peralta Colleagues,

Last week, I was thrilled to officially welcome Melanie Dixon to the Peralta Community College District family, as the new President of College of Alameda (COA). We held a Meet and Greet at COA on Tuesday, July 16th, where faculty, classified professionals, administrators, and students had the opportunity to eat some tasty snacks, meet President Dixon, and learn more about her as a person. During the event, I discovered that she enjoys playing tetherball and poker, is a foodie, and would serve fried chicken, cornbread, mac & cheese, and maybe even rice and catfish if we were to visit her for dinner. She values compassion as her superpower, and like me, she loves to sing!

If you missed the Meet and Greet, you can watch the recording on YouTube: https://youtu.be/WSGoyce2xuE?si=W2g|VN|eNeB43|Q| Be sure to check out the "family-oriented" montage at the end! Joe Sullivan from the district marketing team did a nice job producing the video.

Dear Peralta Community

We want to provide useful information about our Campus Public Safety department and share safety tips for keeping us and our campuses safe.

#### Rave Campus Safety Alerts

At their January 23rd meeting, the <u>Board of Trustees approved Peralta's participation in the State of California's Next Generation 9-1-1 Alert & Warning System</u>, which uses Rave Mobile Safety technology for campus safety-related alerts only. Peralta CCD representatives from IT, Campus Public Safety, and Marketing, Communication & Public Relations (MCPR) have kicked off the project for using the Rave Mobile Safety platform. Soon, we'll be able to leverage the Rave Mobile Safety platform for emergency communications including email, SMS / text messages, and phone calls. We will lat you know when the system is ready for testing. We'll also be providing more information about the system itself as we get closer to the launch.

#### Narcan Available at the Campus Public Safety Office

Beginning in 2023, PCCD has made Naloxone available for emergency situations via Marina Security guards patrolling campuses. Naloxone, better known by the brand name Narcan, is a drug that helps treat people suffering a narcotic overdose in an
