

Where can I go with my EasyPass?

- Anywhere AC Transit goes – anytime!
- Visit actransit.org to use “Trip Planner.”
- Select Maps & Schedules at actransit.org to find online details about your bus routes.
- Get a bird’s eye view of AC Transit service and find transbay options for crossing the Bay at actransit.org/overview-maps.
- Know which bus is coming your way and when! Download the official AC Transit mobile app at actransit.org/app for quick access to finding your bus stop, real-time bus arrival predictions, and customer service – do not put your EasyPass on your phone, however, as your EasyPass Clipper Card will stop working!

EasyPass is your passport to the Bay Area!
Learn more online about where to go with your EasyPass and check out your campus’ EasyPass Destination Guide.
