<b>II. Carried-Over and New Items</b>	<b>Committee Goal</b>	<b>Strategic Plan Goal</b>	<b>Outcome</b>	<b>Action Items</b>	<b>Follow Up on Action Items</b>
<b>A. PBC Classified Tri-Chair PBIM Charter</b>		E.3 — Fiscal Oversight	PBC to accept a Tri-Chair Committee as outlined by the PGC Committee at the last meeting. We elected a Classified Tri-Chair, Kawanna S. Rollins.		
<b>B. BAM Taskforce &amp; Handbook</b>		E.3 — Fiscal Oversight	<p>C.M. Bramhbatt presented to the committee information regarding the Handbook was to presented to the Chancellor's Work Groups, PGC and the Board of Trustees. He hopes to take it to Board in the first April meeting formally and approved at second meeting regarding the Revenue part only.</p> <p>Board of Trustees meeting went well and understood that BAM and PBC worked very hard to understand the challenges coming to the colleges and the District. Colleges generate revenue, serving the student. However, some the services the District provides is the reason we are looking into the Resource Model.</p> <p>Phase II is to be working with the Board.</p> <p>Not sure when the Chancellor may make a final decision because budget philosophy is being discussed. Hopefully we will know in May.</p> <p>Managing the enrollment will set the tone for the model.</p>		

## Planning & Budgeting Committee Minutes (PBC Committee)

		<p>Phase II introduction is more of a concept to allow an understanding before going into detail.</p> <p>Larger portion of the funds will remain with the colleges. Funds will be allocated to the district to cover district and districtwide expenses. The remainder of the funds will be reallocated back to the colleges.</p> <p>Examples were provided to help explain how it would work. For example, 50% of the expenses would be spent in the classroom as a minimum. An example of how the District and college ay improve the fiscal condition. But it is important to maintain the 50% rule for the classrooms.</p> <p>The PBC members should report back to their constituents the information provided.</p> <p>Recommendation made that we need to be cognitive on how we discuss these items and when looking at the staffing levels. Student Services is funded through Categorical and is not applicable to the General Fund. Be clear if information is regarding budgeting or expenditures. We need to compare information based on the reported data accurately.</p> <p>There are concerns that there is no accountability when individuals exceed their budget. Assessment of what we are presenting is what the District and colleges need. Enrollment decreased for many reasons and they all need to be addressed.</p>

			<p>The committee voiced concerns regarding funding and allocation. What is important is that the District and colleges are talking about it and working together to find solutions that will work.</p> <p>Centralized and Decentralized items need to be addressed.</p> <p>BAM Taskforce Item. 2B. Lack of clear delineation of District and colleges. Cost of running the District has increased significantly.</p>		
<b>C. Frozen Positions Plan</b>		E.3 — Fiscal Oversight	<p>To date it appears we do not have a Frozen Positions plan in place. The colleges have been allowed to hire positions. Next week Administration will be discussing classified.</p> <p>The PBC can be more hands on in regards to hiring and Frozen Positions. Recommendation made that the District should have a Staffing Plan.</p> <p>A Staffing Plan may possibly come out from the Program Reviews. The colleges have a Program Review.</p> <p>Recommendation made to have a proposal as to a draft of what a Staffing Plan can look like to be brought back to the PBC. Request for volunteers. Volunteers were Jennifer Shanoski, Dr. David M. Johnson, Lowell Bennett and Kawanna S. Rollins and Dr. Rudy Besikof.</p> <p>The volunteers were thanked for the commitment and effort.</p>

<b>D. FY 2023 Town Hall</b>		E.3 — Fiscal Oversight	<p>There is no information at this time regarding the May Revise. VC Ahmed came out to some of the colleges in January. Spoke about the Tentative Budget and the same will be happen probably around the 3<sup>rd</sup> of May or around that time after the information is incorporated in the District figures.</p> <p>Recommendation made that it not be a Townhall, but a webinar, to allow people to ask questions.</p> <p>Motion and seconded to make a recommendation that the Townhall be in the form of a webinar, so that people may participate and including asking questions. Motion approved unanimously.</p>		
<b>E. PBIM Retreat</b>		E.3 — Fiscal Oversight	<p>The PGC hold the PBIM Retreat. We need to determine if there will be one and when to provide committee members advance notice.</p>		
<b>F. Agenda Items for the next PBC Meeting</b>		E.3 — Fiscal Oversight	<p>Elect Chairs for the next Fiscal Year Staffing Plan Proposal BAM Handbook VC Ahmed is on leave until May 22, 2022. FTEF/Budget Allocation Process – Dr. Droker VPI Bajrami</p>		
<b>III. Next Meetings</b>			<p>May 13, 2022 9:00 am - 11:00 am May 27, 2022 9:00 am - 11:00 am</p>
