

Responding to On-Campus Immigration Enforcement Activities

Updated February 7th, 2025

1

NOTIFY the President's Office immediately if you are aware of immigration enforcement activities on campus. If the President's Office is closed, contact Community Safety. *No employee outside of the President's Office is authorized to accept legal documents from immigration enforcement officers.*

2

DOCUMENT and provide the President's Office or Public Safety with all details of immigration enforcement activities as soon as possible. *Include time, location, officer name/credential, and details of officer's request, if known.*

3

ESCORT officers to the President's Office. If you do not feel comfortable escorting officers, contact Public Safety to assist. *You may not give consent for an immigration officer to enter any non-public area of campus (e.g. classrooms, office areas, etc.)*
