- And more

A doctor can assess your condition, provide a treatment plan and even send a prescription to your pharmacy, if it's needed.*

What will a visit cost?

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs — usually \$59 or less.

If you're a retiree or have coverage that complements your Medicare benefits, your employer sponsored health plan may not include coverage for online visits using LiveHealth Online. Check your plan documents for details. You can still use LiveHealth Online, but you may have to pay the full cost of a visit. Online visits using LiveHealth Online may not be a covered benefit for HRA and HIA+ members.
