INDEPENDENT AUDITORS' REPORT ON PERFORMANCE

Board of Trustees and
Measure B Parcel Tax Fund Oversight Committee
Peralta Community College District
Oakland, California

We conducted a performance audit of Peralta Community College District (the District) Proposition 39 Measure B Parcel Tax Fund (the Measure B Fund) for the year ended June 30, 2021.

We conducted this performance audit in accordance with the standards applicable to performance audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our audit objectives.

Our audit was limited to the objectives listed within the report which includes determining the District's compliance with the performance requirements as referred to as Measure B in the Election of June 2012. Management is responsible for the District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the District's internal control to determine if internal controls were adequate to help ensure the District's compliance with the requirements of Ballot Measure as approved by the voters in the Election of June 2012. Accordingly, we do not express any assurance on the effectiveness of the District's internal control.

The results of our tests indicated that, in all significant respects, the District expended the Measure B Parcel Tax Funds proceeds in accordance with the voter approved ballot measure referred to as Measure B in the election of June 2012.

The total amounts and percentages of total expenditures represented in our samples are shown below:
