			<p>Distance Education Ekici informed:</p> <ul style="list-style-type: none"> • Peralta Online Equity Conference was held last week. We had participants from Canada, Australia, Ireland, Turkey, Italy, Spain, South Africa, Serbia, and Iraq in addition to many states all over the US. It was a big success in building our global community around equitable practices. Also, we had a student panel where students shared their experiences with online classes. So, I so much appreciate the COA Academic senate for providing a check to

			<p>integrated with our email tool, HubSpot. Our current texting service is SMS Zap which has been used for the last 1.5 years. SMS Zap has been purchased by Sakari, and will be shuttered on June 30, 2022. As of July 1, we will be on the Sakari platform by default, but it is very expensive so we'll be evaluating other SMS texting options.</p>		
			<p>Office of Institutional Research - Department of Academic Affairs and Student Success Battineni informed on behalf of Herrera:</p> <ul style="list-style-type: none"> • Student Survey Update: The analysis is complete, and the final report has been sent to the Chancellor and believe the results we are distributed soon. • IR submitted CCFS 320 P2 report in April

Hyflex			<p>Ekici Informed:</p> <ul style="list-style-type: none"> As many higher ed. Institutions are getting ready for Hyflex, as the DE Team, we also thought it is important to be prepared for this modality. Hyflex classes are preferred by students because of the options it provides for students, and this might have a positive impact on our enrollment districtwide. However, this modality is a little bit more complicated than the others and it requires faculty training, technology setup, and collaboration among different departments within colleges. So, we plan to have task forces that will include members from student services, SAS, IT, student representatives, and of course from the DE team. So, you might hear from your College DE Coordinators as they are forming these task force teams for Hyflex.
