# ABOUT PERALTA COMMUNITY COLLEGE DISTRICT

Founded in 1964, the Peralta Community College District (PCCD) is a collaborative community of colleges comprised of Berkeley City College, College of Alameda, and Laney and Merritt colleges in Oakland, Calif. The Peralta Colleges provide a dynamic multicultural learning environment offering accessible, high-quality educational programs and services, including two-year degrees, certificates and university transfer programs, to more than 30,000 students each year. PCCD is home to award-winning Peralta TV (Comcast channels 27/28, AT&T channel 99) and community radio KGPC-LP 96.9 FM. To learn more about the Peralta Colleges, visit [www.peralta.edu](http://www.peralta.edu).

support creative approaches to meet the changing demographic, economic, and educational needs of our communities.

- **Financial health:** We effectively manage resources.
- **Environmental sustainability:** We engage in model environmental sustainability practices.

- **Trust:** We support one another's integrity, strength, and ability.
- **Employee development:** We promote the development of all employees.
- **Communication:** We seek first to understand, then to be understood.
- **Respect:** We treat one another with care and respect.

- 1. Planning Drives Resources:** Resources will be allocated based on information-based strategic planning processes.
- 2. Shared Governance:** The Strategic Plan will be implemented using a clear, structured, and inclusion process to promote efficient and effective participation of students, faculty, staff, and administrators in developing well-informed decisions on a timely basis.
- 3. Diversity and Shared Strengths:** College autonomy and district-wide collaboration are mutually supportive and create the highest levels of student and community success.
- 4. Organizational Development:** The colleges and service centers provide ongoing attention to building the capacity and effectiveness of all organizational processes.

# ABOUT PERALTA COMMUNITY COLLEGE DISTRICT

**5. Collaboration:** The colleges and service centers are committed to collaborating as a team and coordinating programs and services to maximize the benefits to students and the community.

**6. Future Orientation:** We strive to anticipate change and provide leadership for our communities' human and social development.

**7. Environmental Sustainability:** The colleges and service centers are committed to environmentally sustainable practices which will meet the needs of the present generation without compromising the ability of future generations to meet their own needs.

**8. The Service Center Role:** The term "district service centers" was adopted by PCCD to indicate that central functions support the effectiveness of educational programs and services, which are predominantly delivered at the four colleges. The service centers provide a range of services to the colleges, including human resource, fiscal, management, legal, educational planning, facilities management, and marketing. At the same time, the service centers also provide guidance, support, and leadership to the colleges in administrative and compliance areas. A distinctive role for the service centers is to support collaboration across the four institutions to form a "community of colleges."

**9. Community and Individual Empowerment:** The welfare of our communities and our students is better served when they have the skills and knowledge to control their economic destinies and engage effectively in the process of governance, self-governance, and participation in their communities.

## Equal Opportunity

*The Peralta Community College District is an equal opportunity provider of programs and services and will not discriminate on the basis of ethnic group identification, race, color, creed, national origin, sex, religion, age, physical or mental disability, marital status, sexual orientation, status as a special disabled or Vietnam-era veteran, medical condition, ancestry, citizenship, political affiliation, family care status, or any other characteristics protected by law.*

Peralta Community College District (PCCD) is committed to your safety and security on and around our campuses. As part of this responsibility, the District's Department of Public Safety prepares the Annual Security Report and its digest version, the Personal Safety Handbook, on behalf of the District for Berkeley City College, College of Alameda, Laney College, and Merritt College in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (the Clery Act). The Department of Public Safety is responsible for protecting the lives and property of students, employees, and visitors. Our mission is to preserve peace, maintain order, and enforce state, federal, and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Department of Public Safety partners focus on working with students, faculty, and staff in addressing the problems and/or concerns identified with safety and security.

For more information, please contact the Department of Public Safety at (510) 466-7236.

## **Reporting Criminal Activities or Other Emergencies**

The Peralta Community College District contracts its security services with Marina Security Services. All crimes or suspected criminal activity occurring on the four college campuses or the district headquarters should be reported to Peralta Department of Public Safety at 510-466-7236, or by dialing ext. #7236 from any interior campus telephone, or by using one of the emergency blue phones located exclusively throughout these campuses and their parking lots.

The Peralta Department of Public Safety switchboard is on duty 24 hours a day, seven days a week. They can and will assist in forwarding your call information to the appropriate authority.

While the security officer is being dispatched, do not hang up the telephone as the dispatch technician will be asking you questions which will give the responding security guard valuable information about your emergency. Initially, the information determines the swiftness of the safety office response and whether an ambulance, police, and/or fire department assistance will be needed.

Security reports may be made in person at the Peralta Department of Public Safety headquarters located at 333 E. 8th St, Oakland CA. Individuals can phone Peralta Department of Public Safety Services at 510-466-7236 and a switchboard technician, who answers telephones and emergency blue phones 24 hours a day, will ensure security is contacted to assist you.

Individuals may phone Peralta Department of Public Safety Services and give crime information while remaining anonymous. They may simply phone Peralta Department of Public Safety Services and decline to give their name, phone number or other contact information and then relay crime information they are aware of.

## **Peralta Department of Public Safety Services**

Security guards are designees appointed by the Peralta Community College District to maintain order and safety on the campuses.

Peralta Department of Public Safety contract security guard duties primarily include but are not limited to: monitoring fire and security alarms, monitoring security cameras, monitoring campus property, patrolling campuses, keeping records and logs, answering telephones, providing first aid, and handling radio communications. Individuals should be aware that security cameras are not a guarantee of your safety. Security guards will request assistance from local police when appropriate.

Campus safety aides and security guards are not peace officers. They are civilians that are contracted or employed by the Peralta Colleges. Their primary duties include providing escort services for students and staff and observing and reporting any suspicious activities. Safety aides also carry radios and have the ability to contact Peralta Department of Public Safety to summon assistance if necessary. Escorts are either security guards or campus safety aides. For an escort on any college campus, call **510-466-7236** or call ext. #7236 from any interior campus telephone.

## Crime Prevention

---

Crime prevention is the responsibility of all staff and students. Members of the campus community should be aware of their surroundings and of circumstances which seem out of the ordinary. Willingness to look out for each other and to report all suspicious individuals or activities to the Peralta Department of Public Safety office will help to ensure that the campus will be a safe secure place to work and to study.

Do not take chances! Reporting suspicious individuals and activities allows the Peralta Department of Public Safety office to respond to the situation and often prevents a crime from occurring. Your reports help the Department of Public Safety to better identify specific problems and to allocate its resources accordingly.

Peralta Department of Public Safety maintains safety, security and crime prevention information in the “Annual Security Report” which is available online at <https://www.peralta.edu/campus-public-safety/annual-security-report> with printed copies distributed on each campus and also located at Department of Public Safety office at 333 E. 8th St, Oakland CA, 94606.

The Department of Public Safety also maintains daily campus logs of criminal activity known to be occurring on and about the Peralta College campuses. These logs are available for public viewing at our dispatch office at 333 E. 8th St, Oakland CA, 94606.

## Timely Warnings

---

The purpose of a Timely Warning is to alert the district and campus community to crimes that pose an ongoing threat and to increase safety awareness. Warnings are issued as soon as pertinent information is available after a Clery-reportable crime is reported. The Executive Director of the Department of Public Safety, or their designee, in consultation with other administrative personnel, will decide whether to issue a Timely Warning Notice. This decision is based on the unique circumstances of each situation, and the college will assess whether the reported incident presents a serious or continuing threat to the campus community. For purposes of this policy, “timely” means as soon as reasonably practicable, generally within 48 hours after an incident is reported to the Department of Public Safety, a Campus Security Authority (CSA) identified by PCCD, or local law enforcement with concurrent jurisdiction.

Issuing a Timely Warning Notice is done on a case-by-case basis for Clery Act crimes, including arson, homicide, burglary, robbery, forcible and non-forcible sex offenses, aggravated assault, motor vehicle theft, domestic violence, dating violence, stalking, and hate crimes. The Executive Director, Chancellor, Presidents, Vice Presidents, or their designees may also issue notices for other serious crimes as deemed necessary.

## Sexual Assault & Acquaintance Rape

---

The District does not tolerate sexual misconduct or abuse, such as sexual assault, rape, or any other forms of non-consensual sexual activity. Sexual misconduct in any form violates the Student Code of Conduct, District policies and may violate federal and state laws. Violations by students and/or staff are subject to disciplinary sanctions through the Vice President of Student Services at any campus, and Human Resources respectively.

Complainants (i.e., individuals impacted by incidents of prohibited conduct) have the right to decide when and to whom they disclose information about sexual misconduct, dating and domestic violence, stalking, or any other violations of District Board Policies

and Administrative Procedures. It is critical that an individual seeks medical attention immediately after an assault. Following such an incident, the individual may have physical injuries, may have contracted a sexually transmitted disease, or may become pregnant. Individuals who witness, experience, or are informed of any prohibited conduct have the option to file a complaint with the Title IX Coordinator.

The District's primary concern is the safety and well-being of every member of the campus community. The use of alcohol or drugs never makes the Complainant at fault. If a campus community member has experienced prohibited conduct, they should not be discouraged from reporting the incident due to concerns about potential discipline for related violations of drug, alcohol, or other District policies. Except in extreme circumstances, students or employees who are victims of prohibited conduct will not be subject to discipline.

The District encourages individuals impacted by sexual misconduct, dating violence, domestic violence, stalking, or any other policy violations to speak with someone about what happened, so they can receive the support they need and allow the District to respond appropriately. Whether, and to what extent, a District employee can maintain confidentiality (and not disclose information to the Title IX Coordinator) depends on the employee's position and responsibilities.

## **Drugs and Alcohol on Campus**

It is the policy of the Peralta Community College District to implement and maintain the provisions of the Drug-Free Schools and Community Act of 1989. College policy clearly prohibits the unlawful possession, use or distribution of illicit drugs or alcohol by students or employees on campus or as a part of its activities. Any student or employee in violation of this policy is subject to disciplinary action up to and including expulsion from the college, criminal penalties, or termination of employment for violations of the standards of conduct.

Possession, use, or sales of alcoholic beverages by anyone on the college campus is a misdemeanor pursuant to Section 25608 of the California Business and Professions Code. The use, sale or possession of any illegal drug is a violation of state law and any person found in violation may be subject to arrest. Criminal prosecution is separate from any administrative discipline that may be imposed by the college.

## **Emergency Response and Evacuation Procedures**

In compliance with the Clery Act, Peralta Community College District (PCCD) conducts annual emergency response and evacuation drills to ensure the safety and preparedness of students, staff, and visitors. These drills, conducted at least once per calendar year, assess the readiness of participants and first responders. Drills may be:

- **Announced:** The campus community will receive notification at least 24 hours in advance.
- **Unannounced:** Participants must respond as if it were a real emergency.

PCCD utilizes the Rave Mobile Emergency Notification Alert system to notify the community of immediate threats to health and safety. This system is tested multiple times throughout the year, often in conjunction with emergency drills, to ensure its functionality and the community's familiarity with it. The Department of Public Safety manages activations and ensures backup personnel are available. Documentation of all tests and activations includes:

- Date and time
- Type of incident
- Location
- Whether the event was announced or unannounced

In real emergencies, the Department of Public Safety will issue immediate alerts using the Rave Alert system for situations such as fires, natural disasters, or criminal activity that pose an imminent threat to health or safety.

# ACTIVE SHOOTER ON CAMPUS

If you witness any armed individual on campus, immediately call 911 from any campus phone, which will initiate the local law enforcement and medical response. After calling 911, call 510-466-7236 and Peralta Department of Public Safety will coordinate with law enforcement and/or medical response on your behalf, and will work to protect others on campus from any threat. If sheltering or escaping from danger is impossible you should remain quiet, but we encourage you to do something: run, hide or fight.

## Fleeing

---

If it is possible to flee the area safely and avoid danger, do so. If it is safe to do so, consider:

- Escaping the area.
- Moving to the central and secure area within the building.

In case you must flee, go far away from the shooting scene, and then contact police and notify them of your location. Do not attempt to flee if the shooter is in your escape route. If you are unsure of the shooter's whereabouts, do not attempt to flee.

## Hiding

---

If it is not possible to flee the area of danger, then:

- Go dark. Turn off the lights if safe to do so.
- Lock windows and doors, if possible and safe to do so.
- Get everyone down on the floor or under desk and out of the line of fire.
- Remain quiet.

## Notifying Others

---

Attempt to get the word out to others in your building or nearby if possible safely.

- Dial 911 or call Peralta Department of Public Safety at 510-466-7236.
- Do not pull the fire alarm.

## Waiting for a valid "All Clear"

---

Wait for an "all clear" from an authorized person or campus personnel you recognize and trust. If the staff and other students do not respond to the "all clear," remain cautious until the situation is known to be safe. There may be more than one shooter, or the shooter may be employing tactics such as a false "all clear" to trick you and others into revealing their positions. Remain cautious until you feel the situation is safe.

## After a valid "All Clear"

---

Follow all instructions from Peralta Department of Public Safety. Keep your hands in plain sight and make no threatening gestures or movements as you leave the area.

# IN THE CASE OF A FIRE EMERGENCY

Fire safety is everyone's responsibility and your preparation, awareness and response can save your life and the lives of others. Review the emergency flip chart in your classroom for information on responding to a fire. Locate and learn the building's evacuation routes posted near entrances and elevators. Locate and memorize the location to fire alarm pull stations in the building. If you become aware of a fire, pull the fire alarm, call **911**, or Peralta Department of Public Safety at **510-466-7236**.

## Fire Evacuation

---

Take all fire alarms seriously!

- Evacuate the building immediately.
- If safe to do so, take wallet, purse, keys, and backpacks. Feel door handles: if they are warm, do not open them. Take the alternate evacuation route or find another way out of the building.
- Close doors behind you.
- If smoke is a threat, stay low where the air is cleaner and cooler.
- Never use elevators.
- Once outside, do not go back into the building until you receive a valid "all clear."

## If You are On Fire

---

Stop, Drop, and Roll on the ground to extinguish flames. Quickly cool any burns with water and seek immediate medical attention.

## Weapons On Campus

---

For the safety of everyone, all types of weapons are strictly prohibited on campus. This includes: firearms, ammunition, explosives, air guns, slingshots, firecrackers, fireworks, cherry bombs, metal knuckles, Billy clubs, and illegal dirks, daggers, and knives.

## In Case Of Other Threats

---

Your college's emergency preparedness program evaluates all possible threats to and hazards in your college community. Please refer to the emergency procedure flip chart for what to do in the following:

- First aid supplies
- Medical emergencies
- Gunfire, shooter, sniper
- Explosion
- Aircraft crash
- Civil disturbance
- Hazardous materials release
- Threats
- Utility failure

## Megan's Law: Sex Offender Registration Requirements

In California, sex offender information is available online through the California Attorney General's website at <https://www.meganslaw.ca.gov/>, as required by Assembly Bill 488 (2005). California Penal Code §290.01 requires that any person required to register under Section 290 of the Penal Code, who is enrolled as a student or employed (including volunteers) at a university, college, or community college, must also register with campus police, or with the local law enforcement agency if the institution has no campus police.

For the Peralta Community College District, individuals subject to registration must register with the Peralta Campus Public Safety department within five working days of starting enrollment or employment. Registrants must also notify the department within five working days of leaving the institution. Failure to comply with these requirements is a misdemeanor, punishable by fines and, for repeated offenses, confinement in county jail.

The registration requirement applies to students, faculty, staff (paid or unpaid), contractors, and others working or attending for more than 14 days or for an aggregate of 30 days in a calendar year. If the institution has no campus police, registration must be completed with the local law enforcement agency.

For further information or questions about sex offender registration requirements, contact PCCD Department of Public Safety at 333 E. 8th Street, Oakland, CA, 94606, or call (510) 466-7236.

## Parking And Traffic Regulations

**Good News! Parking is free at the Peralta Community College District owned parking lots at College of Alameda, Laney College, and Merritt College during the 24-25 academic year.**

There are no free district-owned lots near Berkeley City College. If you are interested in parking regularly in the nearby lots, please visit the BCC administrative services office for more information.

All provisions of the California Vehicle Code apply to individuals and vehicles being driven on and about campus property and parking lots. All vehicle codes are strictly enforced. The speed limit is 5 MPH on campus parking lots and property. Students may only park in designated student parking areas.

Faculty and staff may park in designated staff lots or in assigned stalls.

Individuals must obey all California vehicle codes and carefully follow the campus parking and traffic signs. Illegally parked vehicles will be cited and or towed at the owner's expense.

Students must not park in staff parking areas, red zones, yellow loading zones, green 30 minute zones, or another unauthorized areas. Disabled student parking areas are available and posted with blue paint and disabled parking signs. Handicapped accessible signs mean that the area is accessible by persons with disabilities; it does not mean it is designated for handicapped parking.

Disabled staff must properly display their staff parking permit and DMV issued disabled placard, and/or disabled plate.

The parking lot gates are locked and secured by 11:00 PM every evening. Overnight parking is not authorized and vehicles will be towed at the owner's expense.

## Safety Tips on Campus

---

- Never leave valuables inside your car, which are visible from outside of your vehicle.
- Lock your car door after entering or leaving your vehicle.
- When returning to your vehicle, look around and also look inside your car to ensure entry is safe.
- Have your keys in your hand to speed your entry.
- Use well lighted paths to and from the parking areas. If walking alone carry a whistle.
- Avoid walking alone. Use the buddy system or request a safety aid escort. Call 510-466-7236 to request a security escort.
- Know the location of telephones and emergency blue phones on campus.
- Do not leave purses, wallets, tote bags, books, backpacks, etc. unattended even momentarily.
- Lock your bicycle to the bike rack and loop chain cable through the frame tires and bike rack.

## Emergency Blue Phones

---

Emergency blue phones have been installed in various locations on the campuses of Laney College and Merritt College and College of Alameda for your protection. The presence and operability of these phones on campus cannot guarantee your safety but can play an important role in your personal security and the security of the campuses in general. If you are new to the Peralta Community College district, familiarize yourself with the location of the blue phones along your route.

In case of an emergency, press the red emergency button: this will connect you directly with the Peralta Public Safety office switchboard. The red button may be activated in situations that you feel may require an emergency response from the police.

Misuse of the emergency blue phones may subject you to disciplinary and or legal action.
