

Premium Legal Services

Legal problems are all too common. Ignoring these problems can make them worse, but getting help can be expensive. MHN can help — quickly and confidentially.

What our premium legal services cover

Our services include consultations with a licensed attorney from our network. Because your EAP includes premium legal services, you are entitled to one office or telephone consultation of up to one hour per separate legal matter. If you want to retain an attorney after your initial consultation, you may receive 30 percent off the normal hourly rate.

How we can help you

You can consult with an attorney about all sorts of legal issues. Examples include:

- **Civil and consumer issues** – Problems with purchases or warranties, governmental entitlements and benefits, advice on small claims court
- **Personal and family legal services** – Adoption and guardianship, custody and support matters, divorce, separation and annulment issues, name changes
- **Financial matters** – Bankruptcy representation and defense for lending-related legal issues by appropriately qualified attorneys
- **Real estate** – Buying or selling property, lease and rental agreements, property boundary disputes
- **Criminal matters** – The defense of both misdemeanor and felony criminal acts of all kinds
